

RENOLIT ALKORSMART
forever young

Rely on it.

Your roof, forever young

with **RENOLIT** ALKORSMART roofing membranes.

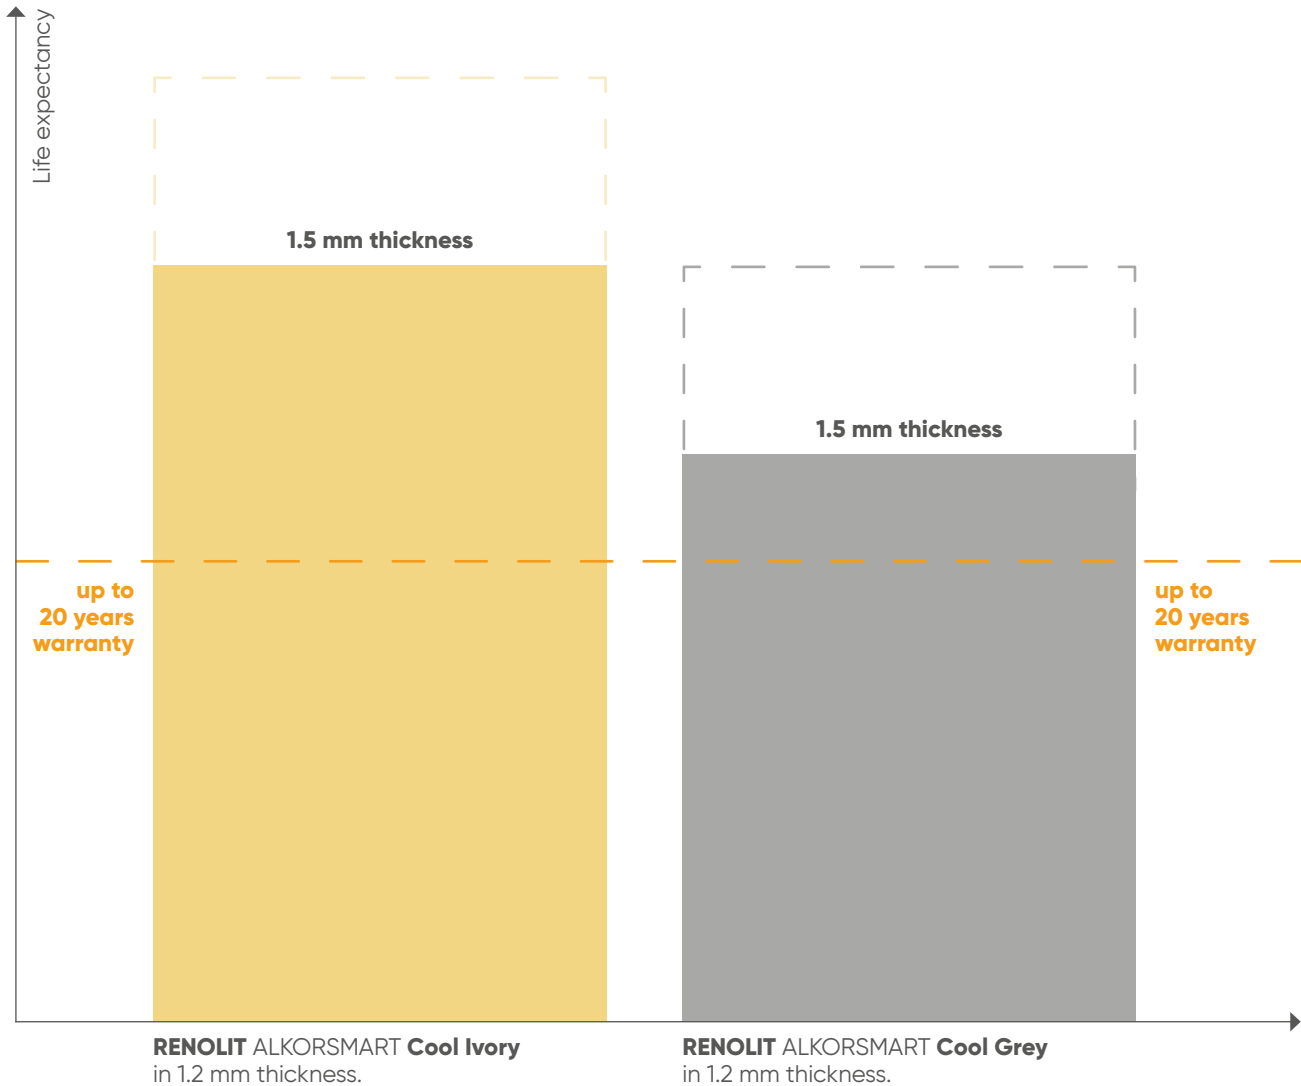

Being an established market leader for durable industrial roofing solutions on the European continent, **RENOLIT** now **introduces a PVC-based solution** for regions with **severe UV radiation**.

The brand new **RENOLIT** ALKORSMART single ply roofing membranes combine a UV-blocking coating with excellent cool roof properties. **RENOLIT** ALKORSMART is the **ultimate long-lasting roofing solution** on the market.

The fact that the membrane reflects a huge part of the solar radiation results in less heat build-up of the building and its environment. **RENOLIT** ALKORSMART membranes consequently bring a long-term economic as well as ecological gain.

RENOLIT ALKORSMART, a unique value proposition for your roof!
