RENOLIT AG is an international leader in the manufacture of high-quality plastic films and products. This independent family-run business, which has been setting benchmarks for quality and innovation for 60 years, now employs a workforce of approximately 4,000 employees at its 32 production sites and sales companies. The **RENOLIT** brand enjoys a worldwide reputation for technical expertise, modern product design and customer-orientated service.

With our **RENOLIT WATERPROOFING** Business Unit, we are a leader in the European market for synthetic waterproofing membranes. Our wide range of products, one of the largest in the sector, meets the many demands and needs of the market. Over a period of more than thirty years, our **RENOLIT WATERPROOFING** Business Unit has produced more than 300 million m² of synthetic flexible membranes and bi-oriented rigid PVC sheets for roofing, civil engineering works, swimming pools and garden ponds.
